ORDER

In the proposal read above, the Commissioner, AMR- A.P. Academy of Rural Development, Hyderabad has reported that in the light of increasing value of Government sponsored works being audited socially by communities, it is felt necessary that the capacities of various stake holders involved in the task of social audit be enhanced through specially designed trainings. In order to carry out such training programmes not only to the functionaries of various departments and elected representative of rural Local Bodies and Urban Local bodies, but also common people and general public who are showing good interest in learning about social audit and related matters. The Commissioner has also reported that currently there are no such facilities for building the capacities of general population in the area of social audit & there is a need for an exclusive training setup in the area of social audit in order to bridge a gap between increasing demand from many stake holders and the training providers. Hence he has proposed to establish a new centre called “Centre for Social Audit” to meet the growing demand in social audit and to utilize the resources and capabilities of AMR-APAAR, and requested permission to establish the Centre for Social Audit in the premises of APARD campus.

2. Government after careful examination of the above proposal hereby accord permission to the Commissioner, AMR-Andhra Pradesh Academy of Rural Development, Rajendranagar, Hyderabad for establishment of “CENTRE FOR SOCIAL AUDIT” in the premises of AMR-APARD, Hyderabad with their own resources for providing training to Government Officials, NGOs, Rural Local Bodies, Urban Local bodies and also common people, subject to following conditions:

- 1) The centre shall operate on its own revenues to be generated through resource fee to be collected from participants
- 2) The course, modules and the training sessions shall be finalized by Director, SSAAT who will also train all the staff members of the centre in teaching and Social Audit Process.
